WHEREAS, the historic buildings, neighborhoods and places in Michigan villages, towns and cities distinguish each community and provide character and a sense of place that contribute significantly to the quality of life and the economic benefits enjoyed in and by each community; and

WHEREAS, the preservation and rehabilitation of historic buildings, places and neighborhood contributes to the beauty, character, and economic vitality of Michigan communities; and,

WHEREAS, the labor-intensive nature of historic rehabilitation creates jobs and investment in local businesses and has been proven to generate more economic activity than equivalent investment in new construction; and

WHEREAS, development and redevelopment within established villages, townships and cities is encouraged to help fulfill Michigan's goals to Restore Our Cities, Protect Our Environment, and Create More and Better Jobs; and

WHEREAS, many public policies and financial and lending practices and policies create disincentives or barriers to the preservation, renovation and rehabilitation of historic buildings and resources and create a preferential financial environment for new construction; and

WHEREAS, Michigan has measured the economic impacts of the state historic tax credit programs and seen significant positive direct impacts on neighborhood and community revitalization, affordable and market-rate housing preservation and creation, local skilled jobs

creation and additional private investment in areas surrounding tax credit-driven revitalization projects; each \$1.00 of credit issued leverages \$11.37 in direct economic impact. The Michigan HTC, during its twelve-year history has leveraged \$251 million in Federal historic tax credits, and

WHEREAS, the former Michigan Historic Tax Credit has leveraged \$1.46 billion in direct rehabilitation activity and created 36,000 jobs since its enactment in 1999 through its elimination in 2011.

WHEREAS, the Michigan legislature is presently considering Senate Bill 469 and House Bill 5178 that would reinstate an up-to-25 percent investment tax credit for owners of historic residential and commercial properties who substantially rehabilitate their properties,
