Michigan State University
Founded 1855

On this site stood College Hall, the
first building in the United States
enacted for the teaching of scientific
agriculture. Here began the first
college of its kind in America, and the
model for Land-Grant colleges
established under the Morrill Act of
1862. This act granted lands for the
endowment of colleges to provide for
"labor and practical pursuits and
professions in life."

a b
Tower Base

Octagonal West Bay

Assembly:
Cut on the heavy dashed lines. Fold on the
broken lines. Cut slots (marked with tower case
letters) for corresponding tabs (marked with
upper case letters). Attach Octagonal West Bay
to Tower Base with tabs A & B. Tape or glue
Tower Base and Upper Tower on tabs marked
with a ♦. Attach Upper Tower to Tower Base
using tabs C-F. Glue or tape Upper Roof and
Northeast Spire to complete.
