Michigan Historic Preservation Network Receives Grant for Historic Preservation Workshops

April 16, 2020

On April 16, 2020, the Michigan Council for Arts and Cultural Affairs announced a grant to the Michigan Historic Preservation Network (MHPN) in the amount of $10,000 to develop and host historic preservation workshops for historic district commissions, home owners, craftspeople, and the general public. The grant will be matched with $10,000 from MHPN.

MHPN facilitated over 25 educational programs in 2019, including two realtor workshops, three pop-up preservation offices in communities, eight historic district commissioner trainings, and two hands-on preservation crafts workshops. This grant will allow MHPN to continue to provide these programs throughout 2020.

With current restrictions, many of these programs will be webinars and virtual programs. Many will also be free of charge to the general audience through the support of the Michigan Council for Arts and Cultural Affairs. For a schedule of programs and trainings, please visit https://www.mhpn.org/workshops/. At that address, you can also find a list of workshops that MHPN offers that can be scheduled for a specific group. Should you have an interest in having MHPN conduct a workshop for your community or organization, please email Mallory Bower at mbower@mhpn.org.

MHPN thanks the Michigan Council for Arts and Cultural Affairs for its support of historic preservation education and historic communities across the State of Michigan. For more on the Michigan Council for Arts and Cultural Affairs, visit https://www.michiganbusiness.org/industries/mcaca/.
