A Strong Foundation: The 40th Anniversary Endowment Campaign for Operations

As our 40th anniversary activities have gotten underway, we established an endowment fund to secure the future of the organization. This fund is intended to support the operations of the Michigan Historic Preservation Network (MHPN) for perpetuity. Throughout its history, MHPN has always worked with partners and allies and we are now calling on all those who have supported us to help ensure the future of historic preservation in Michigan.

Best of luck, Mark, and we look forward to working with you as the SHPO in the future!
