## “Our Town: Preserving Places Together”

Founded in 1981, the Michigan Historic Preservation Network (MHPN) is the state’s largest membership organization advocating for historic preservation. The MHPN is pleased to bring its 42<sup>nd</sup> annual conference to Holly, MI – a gathering packed with the skills, talents, and passions of the preservation community. We expect upwards of 400 participants from across the state and Midwest.

## YOU can be a part of it...

### SCHOLARSHIPS AVAILABLE

Through the generous support of our donors, the MHPN has nine (9) conference scholarships to award to students, teachers, volunteers, elected officials, professionals, or anyone who has shown promising work or interest in historic preservation and would like to learn more. They are intended for individuals who would not otherwise be able to participate without some financial assistance.

Scholarships cover registration, conference meals, special events, tours (including the Great Michigan Road Trip on Saturday, May 14), and two nights in the conference hotel. We will help recipients carpool and find roommates to extend their hotel stay, if requested. Recipients are responsible for personal incidentals and travel to and from the conference location. Scholars are expected to be at the Conference Welcome on Thursday, May 12, 9:30-10:30 AM to be introduced. A thank you letter written to the scholarship donor is the only required follow-up to participation.

#### To apply, provide the following materials:

- A brief letter of interest including name, address, email, and cell number, a description of the applicant's connection to historic preservation, and a brief statement of financial need.
- A recommendation from the applicant's academic advisor, employer, or similar individual.

Email materials to [mhpnships@gmail.com](mailto:mhpnships@gmail.com), ATTN: Nathan Nietering by **6 PM, Tuesday, April 12, 2022**. Previous awardees are ineligible but are encouraged to attend as volunteers. Please do not register until an award notification is received. You will receive a code to register.

### VOLUNTEERS NEEDED

Volunteers to this great networking opportunity receive a 100% registration discount on the days they work; the reduced Student Rate is available for any additional days. Volunteers are asked to put in a minimum of 3 hours in any day they work. With early applications, volunteers are scheduled to avoid conflicts with their sessions of interest. Areas of greatest need include registration, room monitor, marketplace, and set-up/break-down. Email your Application to [VolunteerMHPN@gmail.com](mailto:VolunteerMHPN@gmail.com), ATTN: Jill Anderson, by **6 PM, Tuesday, April 12, 2022**. Please do not register for the conference until assignments are approved. You will receive a code to register.
