I, the undersigned, understand this donation becomes the property of the MHPN to be auctioned to the highest bidder on October 15, 2023. All proceeds go to the MHPN (Fed Tax Id 38-2878515). If applicable to the item, I agree to honor this donation for the period of at least one (1) year following the closing date of the auction unless other restrictions are stated above.

Please note some size and weight restrictions may affect our ability to accept an item. Broken items that cannot be used are not accepted. For unsold items, a) time sensitive items are returned to the donor, b) items that can be held are placed in the two auctions following the auction in which the item goes unsold, or c) if the item still is unsold, the MHPN sells it through an electronic means such as e-bay or its own website, sells it to an interested buyer, or offers it by some other means that yields the greatest return for the organization. If you would simply like an unsold item returned to you after this current auction, check here ____.
